TESTIMONIAL

To whom it may concern,

Mr Mahy had been with Fernvale Primary School for 2 years from 2019 - 2020. He was serving as the ICT Trainer in my school. He conducted ICT baseline skills lessons for the students as part of his job scope. On top of this, he also provided videography and photography services for many schools events and many teachers.

Mr Mahy also rendered ICT support for my ICT Department and this was done out of his job scope. He contributed willingly and worked excellently with my ICT Team.

Mr Mahy will prove to be a great asset to any organisation in his future undertaking. I wish him all the very best for this future endeavours.

Best Regards,

Gavin Lee
